HELLO!

I'm Sophia Garcia, an authorised marriage celebrant from Melbourne.

Occasionally, I describe myself as a millennial celebrant because I grew up with Nora Ephron films and romance on my mind.

I believe that love looks different for every couple and I am all about creating modern romantic ceremonies that suit your vibe.

Get in touch if you are looking for an inclusive, creative and warm celebrant to guide you on your marriage journey.

Sophia x

THE LOVERS
